PROFESSIONAL

Dear AOWMA Member,

Welcome to the Staples Professional – Alberta Onsite Wastewater Management Association Office Supply Program! All members of Western Canada Onsite Wastewater Management Association are eligible for this program through their affiliate organization.

We are pleased to offer to the association membership group savings on our full line catalogue including office supplies, furniture, Print and Promotional items, facilities supplies, and preferred pricing on toners, paper and a select list of high use items. Members also have access to customized online ordering at www.eway.ca and free next business day delivery on orders over \$50.00 (excluding furniture).

If you have a current account, or one that you have not used for a while with Staples Professional, please contact us to re-activate your online ID, and get all the details on the 2023 pricing program.

To sign up for this offer, please email lisa.wescarth@staples.com with your company name, address, phone number and your contact info, advising her you'd like to sign up to join WCOWMA Office Supply Program account to take advantage of their special pricing. Please call her with any questions.

Members have the option of opening a customer account with Staples Professional and / or paying for their purchases with a major credit card. Please contact us anytime for any questions, concerns or to quickly setup your account today!

Offer is valid for Staples Professional Clients and not applicable at Staples Retail Stores or online through www.staples.ca.

Regards,

Lisa Westcarth
Account Manager
